Where Have All The Flowers Gone
Lyrics:Pete Seeger Music:Pete Seeger

Where have all the flowers gone, long time passing?
Where have all the flowers gone, long time ago?
Where have all the flowers gone?
Gone to young girls, every one!
When will they ever learn, when will they ever learn?

Where have all the young girls gone, long time passing?
Where have all the young girls gone, long time ago?
Where have all the young girls gone?
Gone to young men, every one!
When will they ever learn, when will they ever learn?

Where have all the young men gone, long time passing?
Where have all the young men gone, long time ago?
Where have all the young men gone?
Gone to soldiers, every one!
When will they ever learn, when will they ever learn?

And where have all the soldiers gone, long time passing?
Where have all the soldiers gone, a long time ago?
Where have all the soldiers gone?
Gone to graveyards, every one!
When will they ever learn, when will they ever learn?

And where have all the graveyards gone, long time passing?
Where have all the graveyards gone, long time ago?
Where have all the graveyards gone?
Gone to flowers, every one!
When will they ever learn, oh when will they ever learn?
Blowing in the wind

How many roads must man walk down
Before they call him a man
How many seas must a white dove sail
Before she sleeps in the sand
How many times must a cannon ball fly
Before they're forever banned

The answer my friend, is blowing in the wind
The answer is blowing in the wind

How many years must a mountain exist
Before it is washed to the sea
How many years can some people exist
Before they're allowed to be free
How many times can a man turn his head
And pretend that he just doesn't see

How many times must a man look up
Before he can see the sky
How many ears must one man have
Before he can hear people cry
How many deaths will it take till he knows
That too many people have died

Imagine

Imagine there's no heaven it's easy if u try
no hell below us above us only sky
imagine all the people living for today ah

Imagine there's no countries it isn't hard to do
nothing to kill or die for and no religion too
imagine all the people living life in peace you

* You may say I'm a dreamer
but I'm not the only one
I hope someday u'll join us
and the world will be as one*

Imagine no possessions I wonder if u can
no need for greed or hunger a brotherhood of man
imagine all the people sharing all the world you
