This programme is designed to enable educational professionals and practitioners from diverse backgrounds to work with parents effectively in professional settings. Students will acquire in-depth knowledge about parenting, including its antecedents, mechanisms, and implications for both parents and children. They will also develop paraprofessional counseling skills for working with parents. Moreover, a range of core electives will allow students to develop a more comprehensive understanding of the opportunities and challenges faced by parents of children in different developmental stages and with different psychological and educational needs.

Medium of Instruction :

Mainly English, some elective courses may be offered in Putonghua or Cantonese

教學語言: 主要為英語，部分選修科目或以普通話或廣東話授課

Prevailing tuition fee will be applicable to continuing students (students who need to extend study beyond normative study period) newly registered with effect from 2025-26.

由2025-26學年起，超過常規修業期限而須註冊成為延期學習的學生，須就每個延長修業學期額外繳交現行學費。
