Departmental Seminar

Applications of Latent Class Analysis (LCA) and Latent Profile Analysis (LPA) in Education Research

Abstract

This seminar will present how latent class analysis (LCA) and latent profile analysis (LPA) may be used in education research. There will be three parts: (a) when to use LCA/LPA; (b) how to use LCA/LPA; and (c) statistical outcomes of LCA/LPA. Examples of the LCA/LPA research outcomes will be provided.
