Student Services at Colleges

Guidance on personal and interpersonal problems is also provided by the Dean of Students' Offices at the Colleges. These offices administer College scholarship and bursary awards and also play a vital role in the enrichment of College life. In close cooperation and collaboration with the College student unions and their affiliated societies, the Dean of Students' Offices also oversee the execution of College-wide student activities and programmes.

A wide range of student activities and programmes are offered by the Colleges. These non-formal learning opportunities complement the formal curricula, nurture students' interpersonal skills and cultural sensitivity, and build up their confidence and sense of social responsibility. Besides overseas exchange and student visitor programmes, there are talks and seminars, community service programmes, and training in languages, IT, leadership, culture and physical fitness.

Student Unions

At present, there is one student union each for Chung Chi College, New Asia College, United College, Shaw College, Morningside College, S.H. Ho College, C.W. Chu College, Wu Yee Sun College and Lee Woo Sing College. All year round, a wide range of activities, including academic, athletic, cultural as well as social functions are organized by the student unions.
